

Technical Exhibit 4- Contract Worker Labor Category Titles

<sup>1</sup> Denotes those labor category titles that have standard qualifications identified in Exhibit 5 of the contract. All other labor categories will have standard qualifications identified in the Task Order Performance Work Statement

<sup>2</sup> Type of position includes: Non-Credentialed (N); Credentialed (C) only or Credentialed and Privileged (P)

<sup>3</sup> Standard qualifications listed under the Medical Support Services Labor Segment

<sup>4</sup> Denotes Labor Categories that can only be provided as non-personal services.

| Labor Segment      | Labor Category Titles                                          | Type <sup>2</sup> | Change Date |
|--------------------|----------------------------------------------------------------|-------------------|-------------|
| Ancillary Services | Acupuncturist                                                  | P                 |             |
| Ancillary Services | Allergy Technician <sup>1</sup>                                | N                 |             |
| Ancillary Services | Anesthesia Technician                                          | C                 |             |
| Ancillary Services | Audiologist <sup>1</sup>                                       | P                 |             |
| Ancillary Services | Audiology Technician                                           | N                 |             |
| Ancillary Services | Autotransfusionist/Cell Saver Technician                       | P                 |             |
| Ancillary Services | Bone Densitometry Technologist <sup>1</sup>                    | C                 |             |
| Ancillary Services | Cardiac Catheterization Technician <sup>1</sup>                | C                 |             |
| Ancillary Services | Cardiopulmonary Laboratory Technician                          | C                 |             |
| Ancillary Services | Cardiothoracic Surgical Technologist                           | C                 |             |
| Ancillary Services | Cardiovascular Technician                                      | C                 |             |
| Ancillary Services | Cardiovascular Technologist (Endocardiograher) <sup>1</sup>    | C                 |             |
| Ancillary Services | Central Sterile Supply Technician <sup>1</sup>                 | N                 |             |
| Ancillary Services | Certified Athletic Trainer <sup>1</sup>                        | C                 |             |
| Ancillary Services | Certified Drug and Substance Addictions Counselor <sup>1</sup> | C                 |             |
| Ancillary Services | Certified Genetics Counselor <sup>1</sup>                      | C                 |             |
| Ancillary Services | Certified Medical Assistant (CMA) <sup>1</sup>                 | C                 |             |
| Ancillary Services | Certified Medical Dosimetrist <sup>1</sup>                     | C                 |             |
| Ancillary Services | Certified Pulmonary Function Technologist                      | C                 |             |
| Ancillary Services | Certified Respiratory Therapist <sup>1</sup>                   | C                 |             |
| Ancillary Services | Chiropractic Assistant <sup>1</sup>                            | N                 |             |
| Ancillary Services | Chiropractor <sup>1</sup>                                      | P                 |             |
| Ancillary Services | Clinical Dietitian                                             | P                 |             |
| Ancillary Services | Clinical Pharmacist <sup>1</sup>                               | P                 |             |
| Ancillary Services | Clinical Psychologist                                          | P                 |             |
| Ancillary Services | Clinical Social Worker - Case Manager                          | P                 |             |
| Ancillary Services | Cognitive Behavioral Therapist                                 | C                 |             |
| Ancillary Services | Computed Tomography Technologist <sup>1</sup>                  | C                 |             |
| Ancillary Services | Computed Tomography Technician                                 | N                 |             |
| Ancillary Services | Cytotechnologist <sup>1</sup>                                  | C                 |             |
| Ancillary Services | Dermatology Laser Technician                                   | C                 |             |
| Ancillary Services | Diagnostic Medical Sonographer (ARDMS/ARRT) <sup>1</sup>       | C                 |             |
| Ancillary Services | Dietitian Technician <sup>1</sup>                              | N                 |             |
| Ancillary Services | Early Childhood Educator <sup>1</sup>                          | C                 |             |
| Ancillary Services | Echocardiographic Technologist                                 | C                 |             |
| Ancillary Services | Electroencephalographic (EEG) Technologist                     | C                 |             |
| Ancillary Services | Emergency Medical Technician (EMT)/Paramedic <sup>1</sup>      | C                 |             |
| Ancillary Services | Endoscopy Technician                                           | N                 |             |
| Ancillary Services | Exercise Physiologist <sup>1</sup>                             | C                 |             |

Technical Exhibit 4- Contract Worker Labor Category Titles

|                    |                                                                       |   |  |
|--------------------|-----------------------------------------------------------------------|---|--|
| Ancillary Services | Gastroenterology Technician                                           | N |  |
